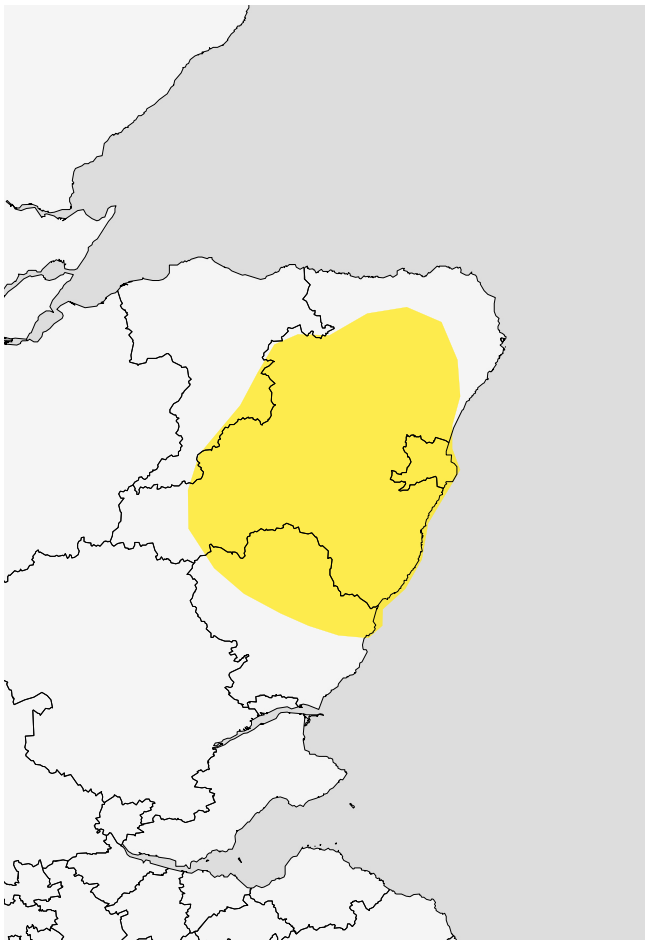
Yellow warning
Rain

Between
10:00 Mon 13 Nov 2023 and
21:00 Mon 13 Nov 2023



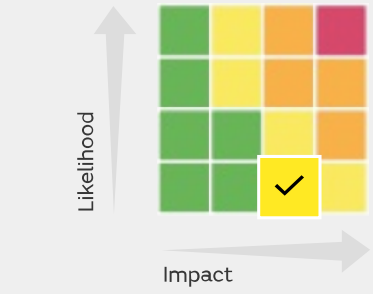
Persistent rain across northeast Scotland may cause disruption to travel and flooding on Monday

What to expect

- There is a small chance that homes and businesses could be flooded, causing damage to some buildings
- There is a small chance of fast flowing or deep floodwater causing danger to life
- Where flooding occurs, there is a slight chance of delays or cancellations to train and bus services
- Spray and flooding could lead to difficult driving conditions and some road closures

Further details

Rain on Sunday night is likely to become more persistent and heavy during Monday daytime as Storm Debi, which is expected to stay well to the south of the area, tracks east across northern England. Rain slowly eases during Monday evening and overnight. 30-50 mm of rain could fall fairly widely across the area in around 12 hours.



Very low likelihood of medium impacts

Issued at 10:40 Sun 12 Nov, 2023
